PPG Option RSP

- Accompagnement BAC PRO "TRPM" - 2- Progression pédagogique globale – Organisation générale -

The image shows a detailed grid table with multiple columns and rows. The columns are color-coded: green, blue, yellow, and red. The rows contain various text entries, likely representing a curriculum or organizational chart. The table is divided into several sections, with the top section being the most prominent. The text within the cells is small and difficult to read, but it appears to be a structured document.
